# For those with great taste

“A selection of cosmopolitan restaurants lining The Dubai Marina Walk that runs along the waterfront, offers a choice of experiences for those who live and work in the many developments in the area”

A visit to Dubai Marina evokes a sense of delightful anticipation. Beyond sleek business and residential towers, an expanse of sparkling blue water stretches out towards the horizon. Glinting in the warm sunlight, moored white yachts reflect a sophisticated laziness that sets the tone for this stylish and beautiful waterfront development in Dubai.

Featuring some of the finest dining, entertainment and leisure facilities, this is where the city's fashionable crowd gathers for an exciting day out or a dynamic celebration at night. You may feel spoiled for choice. From relaxed restaurants to pulsating lounges and outdoor venues to cosy hideaways – there's something for every taste.

A selection of cosmopolitan restaurants lining The Dubai Marina Walk that runs along the waterfront, offers a great choice of dining experiences. With so much variety, lunch or dinner is a true culinary adventure.

Not too far away, the Dubai Marina Yacht Club is a stunning landmark that offers an array of marina-related services. Inside the clubhouse, Aquara serves up a selection of fresh and succulent seafood with a hint of Asian influence, while their fun Friday Brunch with live stations should not be missed. 25°55' the sports lounge also invites you to kick back with a beverage and delicious snacks as you enjoy a game viewed on large screen television sets. Alternatively, you can treat yourself to a gourmet meal and sunset cruise onboard The Athena Dubai, a 50-foot air-conditioned motor yacht. It's really worth it!

Hard to miss, The Address Dubai Marina is easily the newest and most exciting social hotspot in Dubai Marina. Here you can look forward to a diverse range of international haute cuisine, with authentic dishes from around the world, at five contemporary restaurants and lounges. Enjoy a feast of traditional Asian, Arabic and European specialities at Mazina or traditional French fare in the casually elegant surroundings of Rive Gauche. Catch up for afternoon tea with friends in Kambaa, the chic lobby lounge, or relax by the infinity pool at Shades, a trendy pool lounge. Blends is a dynamic combination of three experiences in one fashionable setting – a fashionable lounge, a dedicated cigar room and a stylish cocktail area. Visit this excellent venue just once and you will keep going back.

Just next door to The Address Dubai Marina, The Dubai Marina Mall spread over 150,000 sq m, features an array of dining venues with an excellent food court for hungry shoppers. The soon to open Gourmet Tower, is a boutique property with exclusive restaurants set within a unique circular glass atrium designed to maximise waterfront views.

From American to Thai, Mediterranean to Indian and Japanese to Arabic, Dubai Marina serves up a range of culinary treats for everyone to enjoy – a great way to whet the appetites of Dubai's trendsetters and those with great taste.

## At the Top, Burj Khalifa

SPECTACULAR VIEWS FROM ON TOP OF THE WORLD

The 'high' point of a stay in Dubai, a visit to the world's tallest outdoor observatory is now first on the list of 'must do' activities. Be prepared to feel awed, inspired and even a little weak in the knees as you survey the world from the staggering height of over 450 metres. That's right, 'At the Top - Burj Khalifa' is an experience that continues to draw gasps of wonder from visitors as they take in the vivid 360-degree panorama across the Arabian Gulf and beyond.

They say the riveting views from the 124th floor of the world's tallest tower are comparable to views of the world while sitting on the wing of a plane. We say it's even better! The entire experience is unforgettable, beginning with a warm welcome in the reception area on the Ground level of The Dubai Mall. Prior to the thrilling journey to the top, you will be shown three interesting multimedia displays narrating the story of this brilliant architectural achievement - 'Dubai Then and Now', 'From Earth to Sky' and 'From Vision to Reality'.

After the presentation, step into one of the double-deck elevators that easily carries up to 14 people. Then at the press of a button, zip all the way to the 124th floor at the amazing speed of 10 metres per second - it takes less than a minute to arrive. The viewing

platform is encircled by high glass windows, from which you can look out across the city and even further. If you want a closer view, for just AED 10 you can scan the horizon and the distant streets through computerised viewfinders - these also offer pre-programmed day and night time panoramas of the city and surrounding region.

Don't forget to mark your visit with a souvenir. Before the return journey begins, you will have the opportunity to purchase official merchandise from the At the Top retail boutique.

At the Top, Burj Khalifa is open every Sunday to Wednesday from 10.00am to 10.00pm and Thursday to Saturday from 10.00am to 12 midnight (last tickets are sold 45 minutes prior to time of closing). Tickets are stamped at 30-minute intervals on specific days. Due to the daily rush of sightseers, you are urged to purchase your ticket a few days in advance to ensure you don't miss out. The price of the ticket is AED 100 for adults and AED 75 for children up to 12 years. If you cannot wait and would like immediate entry, the ticket is AED 400 per person, subject to availability.

For more information please visit [www.atthetop.ae](http://www.atthetop.ae) or contact 800 At the Top (800 28 843 867)

“The ascent to the 124th floor is by a double-deck elevator, each deck carrying up to 14 people and travelling at an amazing 10 metres per second”
