A long, elegantly set dining table in a lounge. The table is covered with a dark red cloth and set with white plates, silverware, and glasses. A large, vibrant floral centerpiece in a tall, cylindrical gold vase is the focal point, featuring red roses, red gerberas, and greenery. Several lit white candles are placed around the centerpiece. In the background, a table covered with a white cloth holds a multi-tiered cake. The room has dark wood paneling and red curtains.

# BAROODA LOUNGE

The image shows a sophisticated interior space, likely a lounge or restaurant. In the background, a large, framed classical painting of two horses in motion is mounted on a light-colored wall. Below the painting is a stone fireplace mantel. In the foreground, a long wooden dining table is set with a white tablecloth, white plates, and glasses. A large, tall centerpiece of white flowers is prominently displayed on the table. To the left, modern wooden chairs with light-colored cushions are visible. The overall atmosphere is elegant and contemporary, blending classical art with modern design.
